

2023-2024 Super Pledge Drive

Parents Help Keep EBS Strong!

SUPER PLEDGE is the generous donation from families like yours to maintain special programs, supplement school supplies and pay for family events at Ellen Browning Scripps Elementary School (EBS). *We are always grateful for curriculum support funding which is critical now more than ever and greatly enhance our children's education.*

Please help Academic Fundraising Partnership (AFP) achieve its goal by **December 17, 2023**, so our teachers are assured sufficient budget is available to educating at an exceptional level.

Super Pledge support AFP-funded ongoing expenses at EBS including,

- school personnel
- special programs
- classroom supplies
- curriculum support
- family events
- fifth grade promotion
- software licenses and much more!

The AFP-funded special programs during the academic year 2023-2024 is forecasted to reach \$100,000.

Every student who submits their online pledge form (regardless of donation amount) will receive an EBS Spirit Wristband to wear on their wrist!

If 80% of a class register online (no donation needed) by November 12th, all students in that class will receive a cool treat!

Please donate on the AFP Super Pledge Website: <https://www.ebsafp.com/superpledge>

Corporate matching counts! Does your employer participate in corporate philanthropy? Employee donation matching programs to non-profit organizations such as the EBS AFP tremendously help supplement our Super Pledge drive and are ADDED to individual pledges to determine thank you gift levels. Last year, we had the generous gift matching support from the following companies:
